EXPLORE UP CLOSE AND PERSONAL WITH SMALL SHIP CRUISING

WHY AZAMARA®

SMALLER SHIPS. LONGER STAYS. MEANINGFUL EXPERIENCES

We're a small ship cruise line that believes in giving you the time and flexibility to do more, see more, and experience more at each destination. That's why our smaller ships are one of our biggest advantages. We can sail into the heart of a city, giving you more time to make memories at your own pace.

Azamara sailings include well-known ports and those less travelled and offer the chance to explore by day, after dark, and even stay overnight. Our **Extended Destination Days** allow you more than 10 hours in port to explore at your own pace.

Onboard, our intimate ships offer comfortable elegance, a variety of dining options, and a staff whose service exceeds expectations. In addition to inclusive amenities, enjoy cultural events, entertainment, and locally inspired cuisine based on your itinerary.

No matter where you travel, from the beaches of the Mediterranean to exotic locales in Asia, Africa and beyond — your adventure will be filled with wonder.

OUR FLEET

SMALLER SHIPS. BIGGER ADVENTURES

Our intimately sized ships provide an enormous advantage, affording you the opportunity to sail where larger ships simply cannot reach. This is where life's extraordinary moments begin to unfold as you venture beyond the norm and unhurriedly peel back each port's layers, unveiling warm hospitality, intriguing cultures, and the unique flavours of its local cuisine.

Discover a fleet capable of navigating Norway's meandering fjords, sailing up the Chao Phraya River into Bangkok and delivering you to the heart of Seville. Accommodating

approximately 700 guests, our cruise ships feel more like a community of like-minded travellers than a floating amusement park. And that's by design.

With a host of inclusive amenities and thoughtfully appointed staterooms, our ships are designed to enhance your journey, with a touch of luxury and all of the comforts that experienced travellers expect and enjoy.

Along with Azamara Journey[®], Azamara Quest[®], and Azamara Pursuit[®], we have recently added a new jewel to our fleet, Azamara OnwardSM, the fourth ship in our family of proud vessels.
